

A bridge of Hope...

... for Adult Education

Notre Dame Education Center is a nonprofit community-based organization whose primary goal is to educate low-income, under-educated adults in order to empower them to improve their lives and that of their families. Our mission is to:

- Promote a quality of life through education.
- Collaborate with people in the community to facilitate improved services to the immigrants in the area.
- Generate a spirit of welcome and respect for the dignity of one another.
- Provide for the development of self-esteem and literacy that will support employment opportunities, a better family life and participation within the community.
